

RECITAL INFO

While we are still waiting for the Governors decision regarding gatherings, we plan to go ahead with planning recital and having options for social distancing and having safety precautions of our own.

We are planning for one of the following options:

- **Virtual Recital-** Students will be filmed by a professional videographer in costume with their class one at a time on either a venue stage or the studio. Virtual recital will also be broadcast live online and DVD's will be made available of this virtual recital
- **Outdoor Recital-** Students will come by class with their families and whatever social distancing we are made to follow will happen.

The backup plan for classes whose costumes don't work out or fit and we cannot get a replacement or make it work in time will be to wear recital cast t shirts and shorts. We really hope this doesn't happen though and will do everything we can to make it work!

There will be NO TICKET SALES for whatever recital we do choose to do, however there will be a separate cost should anyone want the recital DVD.

RULES TO BE IN RECITAL:

- You must attend June classes which will be offered both onsite or online via zoom for those who may not feel comfortable coming on site then
- You also must pay last month of tuition in June
- You must have your recital fee \$50 per student paid
